Please let us know if you plan to attend any of the events as sometimes we have to make last minute changes and may need to contact you. There are specific booking details for some events listed including cut off dates.

Message from the Events Committee

We look forward to wide participation from our members again this year and ask you to read the newsletters carefully for any updates about these and future events. Any queries about any of the events, please call us, particularly as in some cases special arrangements can be made should parts of an event seem to be too challenging for you. If you do not receive emails about our latest events please contact Lynda to be added to the circulation list.

In January, many of us enjoyed a meal at The Paris Hotel, Coverack and a similar get together is planned for 2021. We would welcome suggestions for next year's calendar and would encourage you to lead a short stroll or walk near where you live.

***Members should constantly bear in mind that all events have potential hazards and that they should take care and remain vigilant, to avoid accidents and incidents.
Outdoor events, in particular, especially in the Lizard's natural and rugged landscapes, require not only vigilance and care, but also clothing and footwear appropriate to the weather, season and terrain.***

Lizard Peninsula Heritage Trust

An environmental charity dedicated to the recognition, protection, enhancement and enjoyment of the Lizard Peninsula
Friends of the Lizard 1997-2006
Registered Charity No 1092934

EVENTS PROGRAMME 2020-21

The LPHT has for several years organised a successful programme of events. This year's calendar includes a variety of events to suit all interests. Please contact one of us if you have any queries.
