

# Lizard Peninsula Heritage Trust – Questionnaire for members

Lizard Peninsula Heritage Trust (the 'Lizard Trust'), formerly Friends of the Lizard until a change of name in 2005, is a growing organisation, with an increasing membership among both residents and visitors. We are evolving a greater and wider interest in all matters that contribute to the attractive natural, historic and man-made environment of the Lizard Peninsula, with the twin aims of seeking their protection and enhancement, while promoting their understanding and enjoyment. We are aware that members join us for a variety of reasons but it would assist greatly, in the setting of our priorities for action and organising events for members, if we could establish their views. We invite each of you, therefore, to complete the following brief questionnaire insofar as it applies to you, but please feel free to leave blank any question that you do not wish to answer. For the convenience of extracting statistics, we hope that you will allow us to transfer your answers to a computer database. We will not do so, however, for those individuals who place a cross here:
